Officials with the Odenton and Edgewater Rita's Water Ice stores, at 1111 Odenton Road and 120 Mayo Road, recently announced they have raised a combined \$6,525 through Rita's annual paper lemon promotion for Alex's Lemonade Stand Foundation, a nonprofit organization that funds pediatric cancer research across the country.

From June 1-30, the stores, owned by Daryl and Cynthia Hancock and Judith D. and James B.M. Cifala, joined more than 500 Rita's locations and participated in the company's third consecutive fundraiser, selling paper lemons for \$1.

Rita's Water Ice collectively raised more than \$1.5 million for the foundation, becoming the foundation's leading corporate donor.
